

# Building a Global Game

## Institutional Change and Sustainable Women's Hockey

Julie Stevens, Ph.D.  
Department of Sport Management  
Brock University

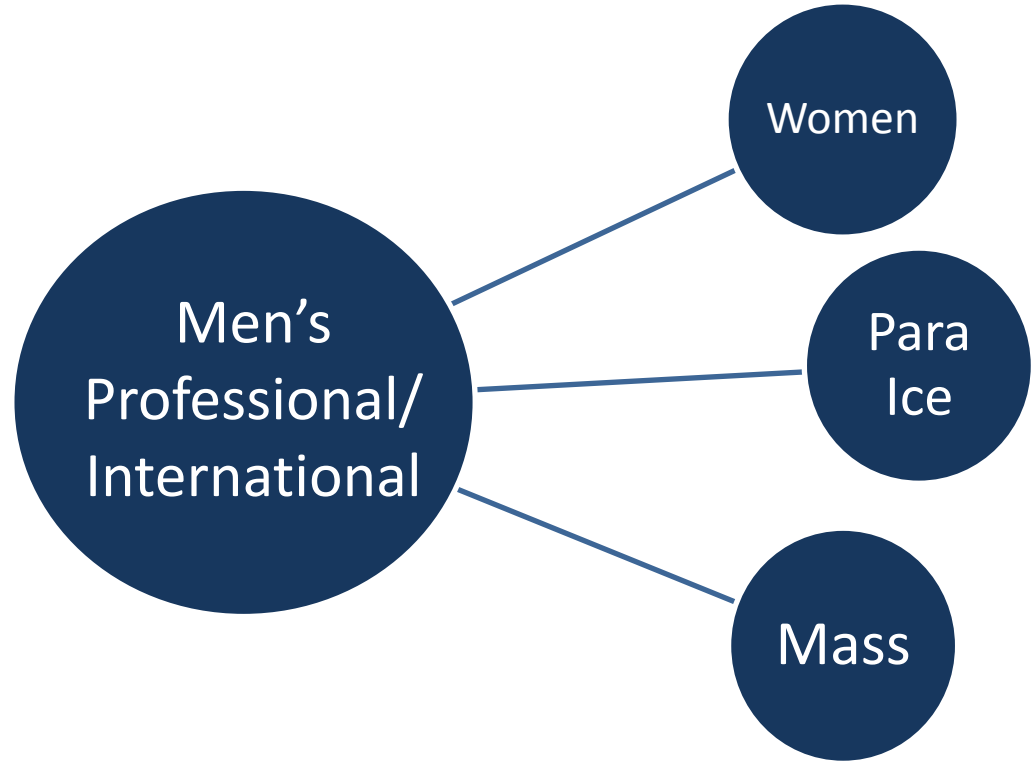

# Focus

*What will it take to establish a  
**sustainable** female hockey system  
around the world?*

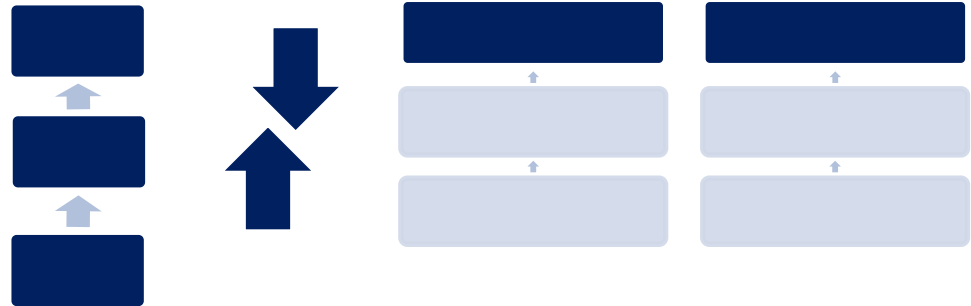

# Setting the Stage

# Differentiation & Integration

- Separate-but-Parallel versus Integrated
- Bottom-up and Top-down
- Levels

# Player Development Pathways

- Multiple
- Long
- Wide

Pathway A

Pathway B

Pathway C

Pathway D

Pathway E

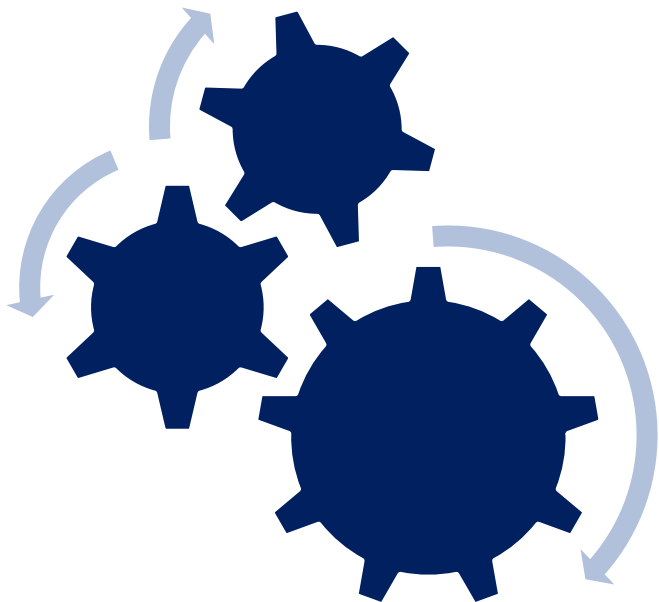

# Culture and Legitimacy

- Recognize Uniqueness
- Space and Time

# Towards Sustainability

- Long-term focus
- Patience
- Commitment

# Concluding Remarks

- State of transition persists;
- ‘Best Practices’  
Transfer of Knowledge (TOK);
- Customized approach  
‘Made in \_\_\_\_\_’ women’s hockey system.
